GHOST TOWN THEMED RENTALS

Throughout the history of our great country, Old West towns sprung up across the nation as settlers forged the rivers and crossed the prairies in search of a better life. After some time, most became ghost

towns. For over 55 years, a Frontier Western town, Six Gun City, existed at this location. Today, visitors can still enjoy the rides, slides and laser tag in what is now known as the Fort Jefferson Fun Park. What was the Western Town is being transformed into the GHOST TOWN THEMED NIGHTLY RENTALS. Guests can stay in the buildings that were once the Old West Town. Give us a call to reserve today. Cabins start at \$79.00 nightly for a family of four.
